## TERMS AND CONDITIONS FOR THE SUPPLY OF GOODS AND/OR SERVICES

These terms and conditions shall govern the contract between (1) Euroquartz Limited (**the Supplier**) and (2) the Customer. The Supplier may agree modifications to these terms but such modifications must be in writing signed by the Supplier and cannot be inferred from a course of behaviour.

### 1. BASIS OF CONTRACT

- 1.1 Any order constitutes an offer by the Customer to purchase goods (**Goods**) and/or services (**Services**) from the Supplier in accordance with these terms and conditions (**the Contract**).
- 1.2 Orders placed by telephone will be read back to the Customer to confirm the details of the order. The Supplier will not be responsible for discrepancies where an order has been read back to the Customer.
- 1.3 The Contract shall be formed when the Supplier confirms to the Customer in writing its acceptance of an order.
- 1.4 The Contract constitutes the entire agreement between the parties. The Customer acknowledges that it has not relied on any statement, promise, representation, assurance or warranty made or given by or on behalf of the Supplier which is not set out in the Contract.
- 1.5 Any samples, drawings, descriptive matter or advertising issued by the Supplier and any descriptions of the Goods or illustrations or descriptions of the Services contained in the Supplier's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Services and/or Goods described in them. They shall not form part of the Contract or have any contractual force.
- 1.6 These conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing.
- 1.7 Any quotation given by the Supplier shall not constitute an offer, and is only valid for the period set out on the quotation or if no period is specified on the quotation then it shall only be valid for 30 days.
- 1.8 All of these conditions shall apply to the supply of both Goods and Services except where application to one or the other is specified.
- 1.9 The Supplier has a minimum order charge of £25.00 (excluding delivery and any applicable taxes).

### 2. GOODS

- 2.1 The Goods are as described in the Supplier's catalogue as modified by any applicable specification of the Goods that are agreed in writing by the Customer and the Supplier (**Goods Specification**).
- 2.2 To the extent that the Goods are to be manufactured in accordance with a Goods Specification supplied by the Customer, the Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Supplier in connection with any claim made against the Supplier for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Supplier's use of the Goods Specification. This clause 2.2 shall survive termination of the Contract.
- 2.3 The Supplier reserves the right to amend any Goods Specification if required by any applicable statutory or regulatory requirements.

### 3. DELIVERY OF GOODS

- 3.1 The Supplier shall ensure that:
  - (a) each delivery of the Goods is accompanied by a delivery note which shows the date of the order, all relevant Customer and Supplier reference numbers, the type and quantity of the Goods (including the code number of the Goods, where applicable), special storage instructions (if any)
  - (b) if the Supplier requires the Customer to return any packaging material to the Supplier, that fact is clearly stated on the delivery note. The Customer shall make any such packaging materials available for collection at such times as the Supplier shall reasonably request. Returns of packaging materials shall be at the Supplier's expense.
- 3.2 The parties shall agree that either:
  - (a) the Supplier shall deliver the Goods to the location set out in the order or such other location as the parties may agree (**Delivery Location**) at any time after the Supplier notifies the Customer that the Goods are ready; or

- (b) the Customer shall collect the Goods from the Supplier's premises or such other location as may be advised by the Supplier before delivery (**Collection Location**) within three Business Days (a day when banks in London are open for business) of the Supplier notifying the Customer that the Goods are ready.
- 3.3 Delivery of the Goods shall be completed on the Goods' arrival at the Delivery Location or the completion of loading of the Goods at the Collection Location.
- 3.4 Any dates quoted for delivery of the Goods are approximate only. Delivery dates are dependent on the Supplier having materials in stock. The Supplier shall not be liable for any delay in delivery of the Goods that is caused by a Force Majeure Event (as defined in clause 14.1) or the Customer's failure to provide the Supplier with adequate delivery instructions or any other instructions that are relevant to the supply of the Goods.

If the Supplier fails to deliver the Goods, its liability shall be limited to the costs and expenses incurred by the Customer in obtaining replacement goods of similar description and quality in the cheapest market available, less the price of the Goods. The Supplier shall have no liability for any failure to deliver the Goods to the extent that such failure is caused by a Force Majeure Event, the Customer's failure to provide the Supplier with adequate delivery instructions for the Goods or any relevant instruction related to the supply of the Goods.

- 3.5 If the Customer fails to accept or take delivery of the Goods within five Business Days of the Supplier notifying the Customer that the Goods are ready or the Customer fails to collect the Goods within ten Business Days of being notified that they are ready for collection, then except where such failure or delay is caused by the Supplier's failure to comply with its obligations under the Contract in respect of the Goods:
  - (a) delivery of the Goods shall be deemed to have been completed at 9.00 am on the sixth Business Day following the day on which the Supplier notified the Customer that the Goods were ready or 9.00am on the eleventh Business Day following the day on which the Supplier notified the Customer that the Goods were ready for collection; and
  - (b) the Supplier shall store the Goods until delivery takes place, and charge the Customer for all related costs and expenses (including insurance).
- 3.6 If thirty Business Days after the Supplier notified the Customer that the Goods were ready for delivery or collection the Customer has not taken delivery of them or collected them, the Supplier may resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Customer for any excess over the price of the Goods or charge the Customer for any shortfall below the price of the Goods.
- 3.7 The Customer shall not be entitled to reject the Goods if the Supplier delivers 5% more or less than the quantity of Goods ordered, but a pro-rata adjustment shall be made to the order invoice in respect of any deliveries more than 2% over or under the quantity ordered on receipt of notice from the Customer that the wrong quantity of Goods was delivered. If the Customer shall have any complaint about the quantity of the Goods being over 5% less than the Goods ordered then notice shall be given to the Supplier within 7 days of delivery. In the absence of such notification the Customer shall be deemed to have accepted the quantity of Goods.
- 3.8 The Supplier may deliver the Goods by instalments, which shall be invoiced and paid for separately. Each instalment shall constitute a separate contract. Any delay in delivery or defect in an instalment shall not entitle the Customer to cancel any other instalment.

#### **4. QUALITY OF GOODS**

- 4.1 The Supplier warrants that on delivery, and for a period of 12 months from the date of delivery (**warranty period**), the Goods shall:
  - (a) conform in all material respects with their description;
  - (b) be free from material defects in design, material and workmanship;
  - (c) be of satisfactory quality (within the meaning of the Sale of Goods Act 1979); and
  - (d) be fit for any purpose held out by the Supplier.

Subject to clause 4.3, if:

- (a) the Customer gives notice in writing during the warranty period within a reasonable time of discovery that some or all of the Goods do not comply with the warranty set out in clause 4.1;
- (b) the Supplier is given a reasonable opportunity of examining such Goods; and
- (c) the Customer (if asked to do so by the Supplier) returns such Goods to the Supplier's place of business at the Supplier's cost,

the Supplier shall, at its option, repair or replace the defective Goods, or refund the price of the defective Goods in full.

- 4.2 The Supplier shall not be liable for the Goods' failure to comply with the warranty in clause 4.1 if:
- (a) the Customer makes any further use of such Goods after giving a notice in accordance with clause 4.1;
  - (b) the defect arises because the Customer failed to follow the Supplier's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice;
  - (c) the defect arises as a result of the Supplier following any drawing, design or Goods Specification supplied by the Customer;
  - (d) the Customer alters or repairs the Goods without the written consent of the Supplier;
  - (e) the defect arises as a result of fair wear and tear, wilful damage, negligence, or abnormal working conditions;
  - (f) the Goods differ from their description as a result of changes made to ensure they comply with applicable statutory or regulatory standards.
- 4.3 Except as provided in this clause 4, the Supplier shall have no liability to the Customer in respect of the Goods' failure to comply with the warranty set out in clause 4.1 but only for the duration of the original warranty period.
- 4.4 The terms of these Conditions shall apply to any repaired or replacement Goods supplied by the Supplier under clause 4.2.

## **5. TITLE AND RISK**

- 5.1 The risk in the Goods shall pass to the Customer on completion of delivery.
- 5.2 Title to the Goods shall not pass to the Customer until the Supplier has received payment in full (in cash or cleared funds) for:
- (a) the Goods; and
  - (b) any other goods that the Supplier has supplied to the Customer in respect of which payment has become due.
- 5.3 Until title to the Goods has passed to the Customer, the Customer shall:
- (a) hold the Goods on a fiduciary basis as the Supplier's bailee;
  - (b) store the Goods separately from all other goods held by the Customer so that they remain readily identifiable as the Supplier's property;
  - (c) not remove, deface or obscure any identifying mark or packaging on or relating to the Goods;
  - (d) maintain the Goods in satisfactory condition and keep them insured against all risks for their full price on the Supplier's behalf from the date of delivery;
  - (e) notify the Supplier immediately if it becomes subject to any of the events listed in clause 12.3(b) to clause 12.3(l); and
  - (f) give the Supplier such information relating to the Goods as the Supplier may require from time to time,

but the Customer may resell or use the Goods in the ordinary course of its business.

- 5.4 If before title to the Goods passes to the Customer the Customer becomes subject to any of the events listed in clause 12.3(b) to clause 12.3(l), or the Supplier reasonably believes that any such event is about to happen and notifies the Customer accordingly, then, provided the Goods have not been resold, or irrevocably incorporated into another product, and without limiting any other right or remedy the Supplier may have, the Supplier may at any time require the Customer to deliver up the Goods and, if the Customer fails to do so promptly, enter any premises of the Customer or of any third party where the Goods are stored in order to recover them.

## **6. SUPPLY OF SERVICES**

- 6.1 The Supplier shall provide the Services to the Customer in accordance with the description or specification for the Services provided in writing by the Supplier to the Customer in all material respects.
- 6.2 The Supplier shall use all reasonable endeavours to meet any performance dates for the Services specified by the Customer, but any such dates shall be estimates only and time shall not be of the essence for the performance of the Services.

6.3 The Supplier shall have the right to make any changes to the Services which are necessary to comply with any applicable law or safety requirement, or which do not materially affect the nature or quality of the Services, and the Supplier shall notify the Customer in any such event.

6.4 The Supplier warrants to the Customer that the Services will be provided using reasonable care and skill.

## **7. CUSTOMER'S OBLIGATIONS**

- (a) ensure that the terms of the order and (if submitted by the Customer) the Goods Specification are complete and accurate;
- (b) co-operate with the Supplier in all matters relating to the Services;
- (c) provide the Supplier with such information and materials as the Supplier may reasonably require to supply the Services, and ensure that such information is accurate in all material respects;
- (d) provide the Supplier with such information as the Supplier may reasonably require regarding the use and purpose of the Goods and any specific testing that is required to be carried out on the Goods;
- (e) obtain and maintain all necessary licences, permissions and consents which may be required for the Services before the date on which the Services are to **start**;

- (a) the Supplier shall without limiting its other rights or remedies have the right to suspend performance of the Services until the Customer remedies the Customer Default, and to rely on the Customer Default to relieve it from the performance of any of its obligations to the extent the Customer Default prevents or delays the Supplier's performance of any of its obligations;
