DETAILS OF OBSOLESCENCE			
<p>The demand for 2pad 7x5mm packages has fallen dramatically over recent years in favour of the 4 pad variant and the smaller outline versions.</p> <p>We expect this part to become obsolete within the next 12-24 months</p> <p>The MQ2 is now obsolete due to the unavailability of 7x5mm 2pad packages</p>			
ALTERNATIVE PARTS			
<p>We recommend the 4 pad MQ series as a possible alternative</p>			
LAST TIME BUY DETAILS
